Respect the city, don't destroy it - all walls are painted with express permission of their owners. Please contact thepeople@verbsyndicate.com for a list of legal sites in the Illawarra region.

WONDERWALLS 2019

I am very excited that Wonderwalls, funded by the Port Kembla Community Investment Fund, will be part of the existing public art in Port Kembla. This project in 2019 is truly community based, and will contribute to the re-vision, the new voice, and the reinvention of Port Kembla.

As Chair of Our Community Project, I thank the artists and the property owners who have allowed us to use their buildings to host the artwork.

May this be a new chapter for Port Kembla.

PORT KEMBLA

Building on its rich industrial history, Port Kembla has become one of the leading destinations for art in the Illawarra. In the past the town (10 minutes south of the Wollongong CBD), has struggled with its own set of social challenges but Port Kembla has slowly transformed into a cultural hub, marked by a myriad of local galleries, restaurants & businesses.

Port Kembla's unrefined, eclectic facade provides the perfect backdrop for vivid, engaging and thought-provoking street art.
